

SUMMER SEMINAR

2026 Everett Hull Scholarship Application (Ages 15+)

Session 1: June 20-25 Session 2: June 27-July 2

INFORMATION FOR APPLICANT

Tips for all applicants:

Pay attention to details and follow the instructions. Your application should be concise and direct. Reveal interesting things about yourself and describe how your strengths, achievements, and passions make you a strong candidate for a scholarship. In other words, impress us. The selection committee reviews dozens of applications. They will look upon your application favorably if your essays are free of typos and grammatical errors, and if you include all and only the materials requested. If you have questions or concerns, please contact us.

DEADLINE: January 31, 2026

Applications and registration form must be postmarked on or before January 31, 2026. No exceptions.

Types of Scholarships Awarded:

Full: Full scholarships cover tuition, dorm lodging, and meals for one week, and up to \$750 in travel reimbursement.

Partial: Partial scholarships cover tuition only.

Eligibility: Applicants must be ANA members who are involved in a numismatic club at the local level, who demonstrate financial need, and who have actively assisted in promoting diversity, inclusion and equity in numismatics. Applications **MUST** be typed, and the applicant must personally complete the application and one-page essay.

Incomplete applications will not be considered. Please include applicant's name in the top right corner of each page.

Selection Process: Only a select few applicants will receive scholarships. Each application is thoroughly reviewed by a selection committee and scored according to the following 100-point system:

MAXIMUM POINTS & CATEGORIES

- 60 Involvement, leadership and accomplishments
- 30 Essay and written parts of application
- 10 Overall impression of selection committee

The selection committee's decision is final.
Applications will remain confidential.

Previous Scholarship Recipients:

For returning scholarship recipients, the selection committee will be placing more emphasis on how the applicants used their previous Summer Seminar education to further their numismatic involvement and accomplishments.
