AMERICAN NUMISMATIC ASSOCIATION ADVERTISING OPPORTUNITIES

The Numismatist is a controlled-circulation, educational magazine published monthly and distributed to all American Numismatic Association (ANA) members as a membership benefit. Print and online circulation is currently 25,000; each issue is 88 to 96 pages.

General Information: Advertisers of numismatic material must be ANA members. Contracts are available for 1-, 3-, 6- and 12-time placement. Frequency will be consecutive unless otherwise scheduled. No advertisements will be accepted from minors unless accompanied by a statement of financial responsibility signed by a parent or legal guardian. In keeping with the Hobby Protection Act, advertisements for reproductions or imitations of numismatic items must clearly state that they are not original. Photographs of these items must show they have been marked with the word “COPY” and must include the date of manufacture.

Any company advertising numismatic goods or services must include in its advertisement the name and membership number of at least one affiliated ANA member employed as a principal officer of that company. *The Numismatist* reserves the right to edit copy and/or require payment in advance. The publisher may decline or cancel any advertisement at their discretion.

Member Rates: Members may qualify for a 3% discount, provided camera-ready artwork is supplied by the member. Ads must adhere to published guidelines. *The Numismatist* assumes no responsibility for artwork furnished by the advertiser or agency. Rates on this card are for “run of publication.” Guaranteed placement and preferred placement are available.

Guaranteed ad placement is available for 25% above the rate for regular advertisements. Guaranteed-placement ads are placed on a specific page for the duration of the contract. All positions subject to availability.

Preferred ad placement is available for 15% above the rate for regular advertisements. Preferred-placement ads are positioned in the first third of the magazine, as far forward as possible.

Advertising Guidelines: Ad copy must be legible and not included in the body of a letter or other transmission. New ad copy cannot be accepted via telephone. Requests for photography of numismatic items will be billed at prevailing national rates. Every effort is made to ensure accuracy in all display advertising.
