

OUTREACH PACKAGE REQUEST

The ANA outreach package is a benefit for member clubs. It contains an array of educational material that can be used to promote numismatics at shows and events. Included in the outreach package are personalized ANA membership applications with your club's name listed as the sponsor. During the show, your club is encouraged to promote numismatics with the educational material provided as well as recruit new members to the association. After the show please return all membership applications and we will credit your club appropriately with bonus bucks (see your club member benefits for more details).

IMPORTANT: This form must be received at least 30 days in advance of show date in order to guarantee arrival date. Otherwise, the recipient of the outreach package will bear costs associated with expedited shipping.
