

Job Description

We are seeking a highly knowledgeable and passionate individual to join our team as a Numismatist specialist. Expertise in US coins, paper currency, foreign coins and currency, gold, and silver is required. Being a collector is desirable.

Ideal candidate should have:

- In-depth knowledge of numismatics, including coin grading, valuation, and authentication.
- Ability to grade collectible coins accurately and consistently by using the Sheldon Coin Grading Scale.
- A knowledge of U.S. paper money, including variety attribution, authentication, and market values.
- A keen eye for detail and accuracy in cataloging and documenting collections.
- Expertise in identifying and authenticating gold and silver bullion coins, understanding marketing trends, and market value.
- Strong communication skills to interact with clients, provide insights, and contribute to a dynamic team environment.
- Ability to multitask and pay attention to detail.
- Ability to work in a fast-paced, team-focused environment.
- Willingness to learn and work well with a team.
- The ability to follow standards and take direction.

- A minimum of 5 years' experience in numismatics field.

If you have a deep appreciation for the art and history of coins, coupled with a strong understanding of the gold and silver market, we invite you to apply. Join us in preserving and showcasing the world of numismatics.

Pay varies depending on experience.
Background and credit check required.
