

About Us-

Black Mountain Coins & Stamps is a small, locally owned business, buying and selling coins, paper money, bullion, jewelry, etc. We have an impressive range of numismatic and philatelic products available both online and in-store at our beautiful North Carolina location.

Our inventory is constantly evolving as we procure new and fascinating items on a daily basis. Our acquisitions come from a number of sources, including in-house purchases, wholesale distributors and a broad network of stamp and coin dealers worldwide. We are proud of the solid reputation we've established in the collecting community, and strive to provide our customers with the best service in the industry.

About the Role-

We are seeking a friendly, full-time Coin Expert/Numismatist to join our small team. Retail or dealer experience helpful, stamp knowledge would be a plus! This is an ideal opportunity for someone who works well with front-facing retail customers as well as part of a team. The candidate must have a great attention to detail and the ability to compute basic math figures.

Day to day duties include:

Customer Service

Buying and selling coins, bullion, etc.

Using XRF Machine

Grading & pricing coins

Answering phones
