DECEMBER 21ST N/A Happy Holidays!!

Because we don't like to keep our attendees waiting, all Kids Zone activities start promptly at 11 a.m. and 1:30 p.m. Please try to be on time. If you have children in more than one age group, please contact sroach@money.org to discuss scheduling arrangements and which class time is preferred. Consider also that lessons are differentiated slightly per age group, though very similar. Parents/guardians must be present at all times in the Money Museum while children are attending a Kids Zone class.

As space and class size are limited for some classes, we may need to place your child(ren) on a wait list. You will be contacted via email if this is the case. Due to high demand for these activities, we cannot allow for “no-shows” to occur. We reserve the right to refuse attendance for repeated cancellations without notice. We have never charged a fee to attend one of our Kids Zone classes, and certainly hope we never have to in order to ensure accountability of our guests. Thank you for being respectful of others, including the employees at the Money Museum.

**Activities and/or event dates may be subject to change. Please contact cstrayhorn@money.org to confirm availability, or to cancel a reservation. Any applicable changes will be posted on the money.org homepage as soon as possible.*
